SR5009

AV RECEIVER WITH WIFI & BLUETOOTH

The latest current feedback topology and Marantz own and improved New HDAM are central elements of the new seven-channel SR5009. These technologies guarantee both power and detail in your surround sound experience. Bluetooth and WiFi are built-in so you can enjoy your digital files wherever they are stored. In addition, it provides networking DLNA 1.5 facilities for DSD & AIFF and Gapless HD audio streaming, Internet radio, Spotify Connect and AirPlay. It includes decoders for standard audio as well as for Dolby TrueHD and DTS-HD Master Audio. The SR5009 comes with no less than eight HDMI inputs of which one is on the front, and two outputs – making it immediately ready for 3D and even 4k 60Hz UHD resolution supporting 4:4:4 Pure Color. It easily handles the most demanding of scenes in action films, as well as offering excellent-quality music playback - thanks to the latest Marantz audio technologies and 180W from the seven amplifiers. Everything sounds clear, detailed, and alive with this set. As with many of this year's models the SR5009 includes a smart ECO mode. To finish off, the SR5009 comes with a whole range of convenience features such as: Setup Assistant, auto calibration with Audyssey MultiEQ XT and Dynamic Volume Control; four Smart Select buttons, Multi-Room with multi-source flexibility; and "video-off" mode to ensure that you enjoy your music and movies in true dynamic Marantz style. It also has the specially developed Marantz Remote App for smartphone and tablet. All of which makes the SR5009 a true combination of style, power and ease.

Main Features

- Wi-Fi and Bluetooth built in
- Dolby TrueHD and DTS HD Master Audio
- 7ch discrete power amplifier, 180 W per channel
- Current Feedback circuitry with Marantz New HDAM
- Audyssey MultiEQ XT room calibration
- Latest HDMI version with 4k 60Hz 4:4:4 resolution
- 7+1 HDMI in / 2 out (4k 60Hz, 4:4:4, 3D, ARC, Deep Color)
- HDMI scaling 1080p, 4k 24/25/30Hz
- MP3, WAV, AAC, WMA, AIFF
- HD Audio streaming: FLAC 192/24, DSD, ALAC
- Gapless Playback
- Spotify Connect*, Flickr, Internet Radio support
- Setup Assistant and advanced GUI
- Marantz Remote App for iOS and Android devices
- ECO mode
